

TCS Pioneers Newsletter - Nov. 11, 2022

For we walk by faith, not by sight. - 2 Corinthians 5:7

From the desk of TCS Superintendent/High School Principal Bruce Bowman:

Today (Friday, Nov. 11) is the BBQ chicken dinner pick-up. The dinners will be available from 2:30-5 p.m. today in the parking lot across from the school. There will be a limited number of extra dinners for purchases on a first-come-first-serve basis.

Our online TCS Spirit Store is now open again until Wednesday, Nov. 16. There are hoodies, crew necks, glitter wear, quarter-zip pullovers, polo shirts, hats and more, available in adult and youth sizes. There are also several new items that weren't available at the beginning of the school year. These make great Christmas gifts!

Last month, our school raised money for a local program at Mercy Health that helps patients receive necessary breast cancer screening tests when they do not have the money or insurance to cover it. Senior Caleb Kiser and TCS staff member Jarod Kiser presented the team at Mercy Health with a \$250 check raised during a pink dress-down day. Thank you, students and families, for your generous donations.

Operation Christmas Child - Packing Shoeboxes

Last week, the NHS students helped an area church with their Operation Christmas Child packaging, and then they helped with the organization and storage of leftover supplies.

The 2022 Election Results Are In! The election unit for 7th and 8th graders culminated this week with the general election on Tuesday and the electoral vote being certified on Wednesday. Each grade became a political party, complete with candidates and a platform. Students created campaign signs and encouraged the middle school and high school students to vote for their candidates. We had an 83.4% turnout this year for voting! After the popular vote was completed, the electoral college cast their votes based on their "state's" vote, and 8th graders Zach Metz and Kaiden Gonzalez were declared the new "TCS President and Vice President"! Special recognition goes to senior Caleb Kiser for voting in the real general election before school started Tuesday and then also voting in the TCS election! :)

"Duck for President"

The first grade students learned all about the voting process on Tuesday. Students read the book "Duck for President" and discussed the pros and cons of both candidates, Farmer Brown and Duck. Students filled out voter application cards and also made ID cards. The ballots were counted and Duck won by a landslide!

Field Trip to Dayton

The 7th/8th grade classes enjoyed a beautiful day in Dayton last Friday as they learned about the Wright Brothers and Paul Dunbar. Students enjoyed watching aircraft fly over from Wright-Patterson Air Force Base and learning about the bicycle shop where the Wright Brothers worked.

Career Exploration Event

Last Friday, the Anatomy and Physiology students attended Lima Memorial's career exploration event. Friday's focus was on care for stroke and heart attack victims. The students participated in hands-on experiences, networked with associates who work in those areas daily, and learned about the latest technology used.

Temple Christian JH/HS Sports

JH & HS Basketball Season Ticket Information: [CLICK HERE](#)

Additional highlights from this glorious week!

Praise God for this wonderful group of students. We are blessed!

We have some great photos by Amber Green of our junior high basketball teams and cheerleading squad, more pictures from some of our junior high and high school field trips, and some kindergarten cuteness at recess.
