For we walk by faith, not by sight. - 2 Corinthians 5:7

From the desk of TCS Superintendent/High School Principal Bruce Bowman:

We look forward to our upcoming Thanksgiving holiday and we pray you will have a wonderful time with family celebrating all the things you are thankful for this season. School releases on Monday, Nov. 21 at 1 p.m. and will resume at its regular time on Monday, Nov. 28.

Last Friday, we hosted our annual Veterans Day Program. Thank you to our veterans and current service members for your sacrifice to our great country. We had an excellent turnout of veterans, TCS families, and others in the community. Our high school students presented the veterans in attendance with a card and a small gift card as a token of appreciation.

Ozobot Programming

Students in the 6th grade computer class are learning some basic programming skills with Ozobots. Their first challenge is to use color codes to get the Ozobots to knock over all the bowling pins. The students must critically think about the best codes to use to get the Ozobots to complete the task.

“You Matter!” Art Lesson

Even on our darkest days, you and I matter to God! Our elementary art students were reminded of God's promise to never leave us during a recent art lesson.

Students started off by painting a rainbow, then flipped their page around to turn the rainbow into a "U."

We shined a black light over our fluorescent paint, and saw how God's promises shine on the darkest of days!

A special thanks to Brooke Dudgeon for supplying all of our elementary students with a rubber bracelet reminding them of her motto: You Matter!

“Turkey Trouble”

Second grade read the story "turkey trouble". They designed disguises so that their turkey doesn't get eaten for Thanksgiving.

Chicken Dinner Fundraiser - Thank You!

Thank you to everyone who bought chicken dinners and supported the senior class. They were able to sell 300 meals as a fundraiser for their senior trip.

“Hungry Hungry Hippos”

MS girls P.E. had fun playing a live version of the old table-top game “Hungry Hungry Hippos.” They used milk crates, scooters, and balls to simulate the game.

- Recent highlights from around our school -
We give thanks for our school, students, staff, and special guests!

Here are some highlights from this week's MS/HS chapel with guests The Remnant and Randy Davis, K5 indoor recess, a 6th grade ice cream celebration for meeting AR reading goals, some HS math practice, our HS girls bowling team, and a recent guest speaker, Mr. Jim Link, Clerk of Court in Allen County, who spoke to the 7th and 8th graders about government positions and the importance of voting.
