## 2023-2024 Ohio High School Athletic Association Eligibility and Authorization Statement

This document is to be signed by the participant from an OHSAA member school and by the participant's quardian

### I have read, understand and acknowledge receipt of the OHSAA Student Eligibility Guide and Checklist

(https://ohsaaweb.blob.core.windows.net/files/Eligibility/OtherEligibilityDocs/EligibilityGuideHS.pdf) which contains a summary of the eligibility rules of the Ohio High School Athletic Association. I understand that a copy of the OHSAA Handbook is on file with the principal and athletic administrator and that I may review it, in its entirety, if I so choose. All OHSAA bylaws and regulations from the Handbook are also posted on the OHSAA website at ohsaa.org. I understand that an OHSAA member school must adhere to all rules and regulations that pertain to the interscholastic athletics programs that the school sponsors, but that local rules may be more stringent than OHSAA rules.

I understand that participation in interscholastic athletics is a privilege not a right.

## Student Code of Responsibility

As a student athlete, I understand and accept the following responsibilities:

- I will respect the rights and beliefs of others and will treat others with courtesy and consideration.
- I will be fully responsible for my own actions and the consequences of my actions.
- I will respect the property of others.
- I will respect and obey the rules of my school and laws of my community, state and country.
- I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community, state and country.
- I understand that a student whose character or conduct violates the school's Athletic Code or School Code of Responsibility is not in good standing and is ineligible for a period as determined by the principal.

Informed Consent – By its nature, participation in interscholastic athletics includes risk of injury and transmission of infectious disease such as HIV and Hepatitis B. Although serious injuries are not common and the risk of HIV transmission is almost nonexistent in supervised school athletic programs, it is impossible to eliminate all risk. Participants have a responsibility to help reduce that risk. Participants must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily. PARENTS, GUARDIANS OR STUDENTS WHO MAY NOT WISH TO ACCEPT RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM. STUDENTS MAY NOT PARTICIPATE IN AN OHSAA-SPONSORED SPORT WITHOUT THE STUDENT'S AND PARENT'S/GUARDIAN'S SIGNATURE.

- I understand that in the case of injury or illness requiring treatment by medical personnel and transportation to a health care facility, that a reasonable attempt will be made to contact the parent or guardian in the case of the student-athlete being a minor, but that, if necessary, the student-athlete will be treated and transported via ambulance to the nearest hospital.
- I consent to medical treatment for the student following an injury or illness suffered during practice and/or a contest.
- To enable the OHSAA to determine whether the herein named student is eligible to participate in interscholastic athletics in an OHSAA member school, I consent to the release to the OHSAA any and all portions of school record files, beginning with seventh grade, of the herein named student, specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s)or guardian(s), enrollment documents, financial and scholarship records, residence address of the student, academic work completed, grades received and attendance data.
- I consent to the OHSAA's use of the herein named student's name, likeness, and athletic-related information in reports of contests, promotional literature of the Association and other materials and releases related to interscholastic athletics.
  - I understand that if I drop a class, take course work through College Credit Plus, Credit Flexibility or other educational options, this action could affect compliance with OHSAA academic standards and my eligibility. I accept full responsibility for compliance with Bylaw 4-4, Scholarship, and the passing five credit standard expressed therein.
- I understand all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Further I understand that if my student is removed from a practice or competition due to a suspected concussion, he or she will be unable to return to participation that day. After that day written authorization from a physician (M.D. or D.O.) or another health care provider working under the supervision of a physician will be required in order for the student to return to participation.
- I have read and signed the Ohio Department of Health's Concussion Information Sheet and have retained a copy for myself.
- I have read and signed the Ohio Department of Health's <u>Sudden Cardiac Arrest Information Sheet</u> and have retained a copy for myself.

By signing this we acknowledge that we have read the above information and that we consent to the herein named student's participation.

## Sudden Cardiac Arrest and Lindsay's Law

## **Parent/Athlete Signature Form**

What is Lindsay's Law? Lindsay's Law is about Sudden Cardiac Arrest (SCA) in youth athletes. It covers all athletes 19 years or younger who practice for or compete in athletic activities. Activities may be organized by a school or youth sports organization.

## Which youth athletic activities are included in Lindsay's law?

- Athletics at all schools in Ohio (public and non-public)
- Any athletic contest or competition sponsored by or associated with a school
- All interscholastic athletics, including all practices, interschool practices and scrimmages
- All youth sports organizations
- All cheerleading and club sports, including noncompetitive cheerleading

What is SCA? SCA is when the heart stops beating suddenly and unexpectedly. This cuts off blood flow to the brain and other vital organs. People with SCA will die if not treated immediately. SCA can be caused by 1) a structural issue with the heart, OR 2) an heart electrical problem which controls the heartbeat, OR 3) a situation such as a person who is hit in the chest or a gets a heart infection.

What is a warning sign for SCA? If a family member died suddenly before age 50, or a family member has cardiomyopathy, long QT syndrome, Marfan syndrome or other rhythm problems of the heart.

What symptoms are a warning sign of SCA? A young athlete may have these things with exercise:

- Chest pain/discomfort
- Unexplained fainting/near fainting or dizziness
- Unexplained tiredness, shortness of breath or difficulty breathing
- Unusually fast or racing heart beats

What happens if an athlete experiences syncope or fainting before, during or after a practice, scrimmage, or competitive play? The coach MUST remove the youth athlete from activity immediately. The youth athlete MUST be seen and cleared by a health care provider before returning to activity. This written clearance must be shared with a school or sports official.

What happens if an athlete experiences any other warning signs of SCA? The youth athlete should be seen by a health care professional.

Who can evaluate and clear youth athletes? A physician (MD or DO), a certified nurse practitioner, a clinical nurse specialist, certified nurse midwife. For school athletes, a physician assistant or licensed athletic trainer may also clear a student. That person may refer the youth to another health care provider for further evaluation.

What is needed for the youth athlete to return to the activity? There must be clearance from the health care provider in writing. This must be given to the coach and school or sports official before return to activity.

All youth athletes and their parents/guardians must review information about Sudden Cardiac Arrest, then sign and return this form.

## Medical Information Release 2023-2024 School Year

We are the parent(s)/legal guardian(s) for a minor student-athlete or I am an adult student-athlete (18 years or older), and understand that Temple Christian School has employed a certified athletic training services for their student athletes.

I/we understand that health information related to me or my/our student-athlete should be protected, but in order to provide the best treatment and the best opportunity for a safe and quick return to athletic activities, there may be instances in which the AT should discuss information with regard to a student-athlete's condition with others. Therefore, when injuries or medical conditions arise that require the AT's intervention, I/we give my/our permission for the AT employed by Temple Christian School to discuss pertinent health information including, but not limited to, the type of injury or condition, the plan for treatment, and any athletic or sports participation limitations, with the following healthcare professions when the situation warrants: team physician, treating physician, family physician, dentist, emergency medical personnel, medical center or hospital personnel, coaching staff, athletic director, any healthcare provider or facility currently treating me/our student-athlete, and me/us. The AT will communicate with the mentioned individuals on an as needed basis and will use professional discretion and judgment to protect the student-athlete's Personal Health Information (PHI). This release grants permission for any healthcare provider or facility, which is currently treating, or has treated me/our student-athlete, to release information directly to the AT as part of the continuum of care.

This disclosure may include records protected by federal confidentiality rules. The federal rules prohibit the AT from making any further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or as otherwise permitted by 42 C.F.R., Part 2.

I/We understand that should a change be desired in the type of PHI to be discussed or with whom it can be shared, the individual who initially signed this release must make the request in writing and contact the AT. In the event a student-athlete becomes 18 years of age during the course of the school year, the now adult student-athlete would be able to make these changes. I/we understand that should I/we revoke or change this authorization, the revocation or change will not cover any action that has already been taken by Temple Christian School Athletic Training during the original granted authorization. I/we also understand that verbal approval may be given directly to the AT by the parent, guardian, or adult student-athlete for a specific, single episode of communication and will be documented by the AT.

- If this document is part of an on-line electronic signature process through your high school, then the electronic signature completed as part of that process will act as an electronic signature for this document during the academic year of 2023-2024..
- If this document is presented by your school in hard copy form, please print, sign, and date below, and will be in effect for the academic year of 2023-2024.

I/We have read and understand the above document.
