- **Admission is not automatic.** In addition to having the required GPA, applicants must demonstrate significant accomplishment and/or participation in the areas indicated on the application form. - All activities, accomplishments, etc. included in the application must have taken place during the student's high school career (unless otherwise specified). Do not include anything that occurred before you were in high school.

PLEASE NOTE: Honor Society is a service organization. Membership is highly sought after, but it requires commitment to the ideals of the organization. Your acceptance of membership will indicate your willingness to participate in National Honor Society activities such as meetings and service projects. Your membership in the society is contingent on your completion of the yearly service hours as defined in the chapter by-laws, as well as holding leadership roles in your school, church, and community. Failure to comply with the requirements as outlined in the by-laws could result in denied admission or permanent dismissal from the National Honor Society.
