

TCS Newsletter

Friday, October 10th

Galatians 6:9 reminds us, *"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."* What a wonderful encouragement as we move through this busy season—our faithfulness and perseverance in Christ are never in vain. Here are a few news items we're excited to share with you this week. Have a blessed and refreshing weekend!

The American Township Fire Department came to TCS on Thursday for Fire Safety Week. Students in grades K4-4th grade were able to explore a fire truck and an ambulance and learn about fire safety.

Sharing Faith at Fields of Faith

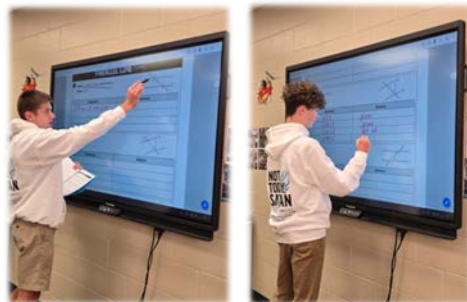

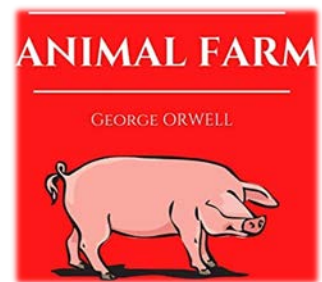

Liberty-Benton High School recently invited local schools to participate in their FCA (Fellowship of Christian Athletes) *Fields of Faith* event. TCS senior Jada DuPree had the wonderful opportunity to share her personal testimony before more than 200 students. We are so proud of Jada for

boldly witnessing for the Lord and allowing Him to use her story to encourage others in their walk with Christ.

A Musical Moment from *Animal Farm*

Freshmen English students enthusiastically sang “Beasts of England” from Chapter 1 of *Animal Farm*. Noah and Elijah eagerly volunteered to perform the song for the class, earning a few extra points for their confidence and school spirit. “Beasts of England” is the inspiring anthem introduced by Old Major, offering hope to the animals before the rebellion, and it was exciting to see our students bring it to life through music!

Geometry in Action!

Our high school Geometry students are mastering parallel line proofs—using logic, teamwork, and critical thinking to uncover the relationships that keep lines perfectly aligned. It’s exciting to see them apply what they’ve learned and grow in both precision and problem-solving skills.

K4 Enjoys Storytime Success!

After working hard and focusing on their classroom activities, our K4 students enjoyed some well-deserved downtime exploring a few of their favorite books! It’s wonderful to see their growing love for reading and learning. Keep up the great work, K4!

Exploring Lines in Elementary Art

This week in Elementary Art, students dove into the creative world of lines! Each class completed a project to explore the different types of lines we can create. Lower elementary artists enjoyed a fun poem about a snake named Larry and then used their imaginations to draw their own unique line snakes. Upper elementary students began their *Line Lion* projects, which they will finish next week. It's exciting to see our students' creativity come to life through art!

TCS Introduces New Head H.S. Baseball Coach:

Temple Christian is excited to welcome Coach Matt Shade as the new head high school baseball coach. Coach Shade brings seven years of coaching experience and a lifelong passion for the game. He played baseball in high school at Allen East and continued for a year at Taylor University Fort Wayne before earning his degree from Columbia Southern University.

Coach Shade is married to Amber, and together they have two children who attend Temple Christian — Alexis (10th grade) and Collin (9th grade). He is committed to developing student-athletes both on and off the field and looks forward to building a strong, competitive program centered on character, teamwork, and growth.

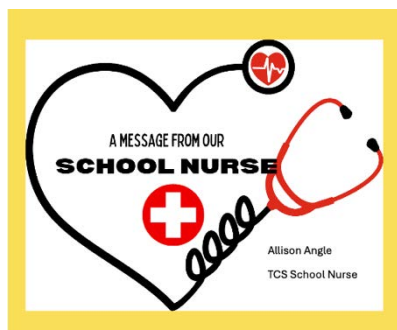

A Heartfelt Thank You to Coach Rone

We want to express our sincere appreciation to Coach Josh Rone for his four years of dedicated service as our head high school baseball coach. His hard work, leadership, and commitment to our student-athletes have left a lasting impact on the program. We are grateful that he will continue to share his experience and support in his new role as an assistant coach.

Thank You!

Hearing and Vision Screenings: Throughout the month of October, children in grades K5, 1st, 3rd, 5th, 7th, 9th, 11th, and all new students will have vision and hearing screenings. Parents/guardians will be informed if there is a need for follow-up. Any questions can be directed to our school nurse Allison Angle.

Important Health Information for Elementary Parents

The Ohio Department of Health requires schools to share information about Type 1 Diabetes with elementary student parents. Please review the official parent handout [HERE](#)

We encourage all parents to review this information to stay informed about recognizing and managing Type 1 Diabetes in children.

THURSDAY, OCTOBER 16th

ONLINE ORDER: mylifetouch.com

DAY ID: EVT6DDKX7

Order Before Midnight on October 15th for Free Shipping

Or bring completed order form with cash/check on Picture day

After picture day online orders only

HOME vs. L.C.C.

3:00 PM

VIEWS FROM TCS:

Elementary students had a great time during a fun-filled day in PE class! In high school chapel, we welcomed the worship team from Only Believe Ministries and had the privilege of hearing TCS alumnus and Student Pastor Aaron Blevins (Class of 2000) from Lima Baptist Temple share his powerful testimony. On Thursday, seniors Quincy Seddelmeyer and Russell Powell were recognized during Varsity Soccer's Senior Night. And to end the week, students took advantage of the beautiful weather with some well-earned Friday recess fun!
