Friday, October 24th

We trust you've had a wonderful week! As we move through the school year, we're reminded of the encouragement found in 2 Timothy 1:7: *"For the Spirit God gave us does not make us timid, but gives us power, love, and self-discipline."* What a great reminder that, through Christ, we are equipped with courage and strength to face each day with confidence and grace. Whether at school, work, or home, may we walk in that power and love this week. Here are a few updates and highlights we're excited to share with you. Have a blessed and restful weekend!

WINTER SPORTS SPIRIT STORE IS HERE

We invite you to join us as we honor the brave men and women who have served our country at our Veterans Day Program on Tuesday, November 11, at 2:00 p.m. in the LBT Auditorium. Let's come together as a school family to show our gratitude and celebrate the gift of freedom their service has helped secure.

Congratulations to our new National Honor Society inductees!

We're so proud of your hard work, leadership, and commitment to excellence!

NHS and Student Government Service Day

Members of the National Honor Society and Student Government volunteered at the West Ohio Food Bank this week. During their visit, students helped load cars during a food distribution, swept and cleaned the entire warehouse in preparation for an upcoming inspection, and worked outside to clean the parking lots and weed the landscaping. These student groups volunteer at the West Ohio Food Bank a couple of times each year, continuing their commitment to serving the community and supporting those in need.

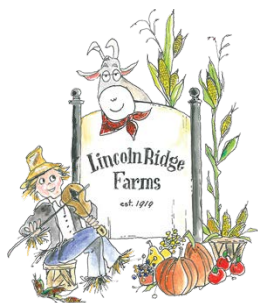

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."
— 1 Peter 4:10

Mrs. Rocca's First Grade Math Activity:

Students have been working so hard this week learning all about place value! To make learning extra fun, we played a Boom Cards game that helped them practice their skills in an exciting way!

Third & Fourth Grade Field Trip to Lincoln Ridge Farm:

Third and fourth grade students had a fun time visiting Lincoln Ridge Farm this past Wednesday. Students enjoyed lots of fall themed activities including pedal carts, a corn pit, farm animals, and a zip line. Students also enjoyed selecting a pumpkin from the pumpkin patch to bring home.

K4 & K5 Trip to Suter's

The K4 class, along with both K5 classes, went to Suter's this week! The Lord blessed them with safety and good weather! They took a fun hayride through the woods and learned about some forest animals, then stopped at the pumpkin patch to pick out their very own pumpkin! After they got back from the pumpkin patch, they had a blast playing on Suter's playground until it was time to load up on the bus!
