

TCS NEWSLETTER

Friday, October 31st

Hello TCS Families, We trust you have had a good week! II Chronicles 7:14 reminds us, *"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."* This verse is a beautiful reminder that God responds when His people pray and seek Him with humble hearts. Here are a few news items we wanted to share with you. Have a wonderful weekend, and may God bless each of your families.

We invite you to join us as we honor the brave men and women who have served our country at our Veterans Day Program on Tuesday, November 11, at 2:00 p.m. in the LBT Auditorium. Let's come together as a school family to show our gratitude and celebrate the gift of freedom their service has helped secure.

American Literature Activity:

TCS junior and senior American Literature students recently debated key concepts from Henry David Thoreau's essay, "Civil Disobedience."

NHS Service Project: Members of the National Honor Society volunteered at Union Chapel Missionary Church, helping set up for their upcoming Operation Christmas Child box packing events. This was the first service project for the new NHS members and a great

way to begin the holiday season of serving both our school and community. "Each of you should use whatever gift you have received to serve others." — 1 Peter 4:10

K4

The K4 class worked on booklets in centers called "Counting Pumpkins." They illustrated their own booklets by drawing their own pumpkins!! Once they completed the booklets, they read them together as a class for practice and were so excited to take them home and read them to their families!!! They all did such a good job!!! Keep up the good work K4!!!

Mrs. Neff's Kindergarten class has been working really hard with learning their letters and sounds to create words and to read short stories! The students love doing their magnetic boards and learning new words.

Temple Christian School conducts safety drills each year so that our teachers and students can be prepared for an emergency where we must lock-down the building and classrooms in order to ensure our students' safety. We will be conducting a school safety drill next week.

VIEWS FROM TCS:

TCS Chapel services are held each week in both buildings — Elementary on Fridays and Middle/High School on Wednesdays. We are so thankful for all those who invest their time and energy into making these moments so meaningful. Through engaging games, thoughtful worship, and impactful messages, the message of Christ's salvation, grace, and truth is explained and proclaimed each week at TCS!
