Friday, December 19th

Hello, TCS families. We are thankful for this Christmas season as we celebrate the birth of our Lord and Savior, Jesus Christ. We hope and pray that Christmas is a meaningful and joyful time for your family.

Below are a few news items we would like to share with you. Merry Christmas!

And Joseph also went up from Galilee, out of the city of Nazareth, into Judaea, unto the city of David, which is called Bethlehem, because he was of the house and lineage of David. To be taxed with Mary his espoused wife, being great with child. And so it was, that, while they were there, the days were accomplished that she should be delivered. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger, because there was no room for them in the inn. And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of

David a Savior, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men. **-LUKE 2:4-14**

## MS & HS Christmas Concert

# K4

The K4 class had a visitor on Monday! Sara Anderson, owner of Sara's Sweets, came and read some fun baking stories to the kids, then they each got to decorate six sugar cookies! They chose which one they wanted to eat, then took the other five home to share with their families! The kids had so much fun, and did a great job decorating their cookies! Thank you so much, Sara!!!

Mrs. Haines's 1st grade class worked hard to prepare 3 Christmas readers' theater presentations. They were so excited to present "The Mystery of the Melting Snowman," "The Gingerbread Man," and "The 12 Days of Christmas Vacation" to a room full of 4th and 5th graders. 1st grade did a wonderful job reading and performing in front of a crowd.

## TCS Elementary Spelling Bee:

The 2025 TCS Spelling Bee took place on Dec.16. The competition was fierce this year! It lasted for 8 rounds. Our new Spelling champion is Benjamin Chandler, and our runner up is Case Gilroy! Congratulations to them and to all of our students who participated! Ben moves on to an ESC competition to be held in Feb. and the regional Scripps competition in March at UNOH.

Sophomore **Johnathan Engle** did a great job on his recent biology project in which he created models of an animal cell and a plant cell and posed as Santa Claus with his project!

### Unsolved Mysteries Research Project:

Students in the eighth grade explored the fascinating world of unsolved mysteries through a research-based project designed to strengthen critical thinking, research, and presentation skills. After selecting a mystery topic, students conducted independent research using approved online sources with identified authors, organized their findings, and created a slideshow to present their learning.

This engaging project encouraged inquiry, responsibility, and creativity—and most importantly, students enjoyed becoming “mystery experts” while building confidence and essential academic skills.

### HIGH SCHOOL BAND

The high school band played Christmas music at Kessler Estates. Everyone enjoyed hearing the music.
