

TCS NEWSLETTER

FRIDAY, JANUARY 9TH

Hello, TCS families. We trust you have had a good week. Ephesians 2:10 reminds us, *"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do."* This verse is a wonderful reminder that each of our students has been created by God with purpose and intention. As a school community, we are blessed with the opportunity to come alongside them—helping them grow, discover their God-given gifts, and walk faithfully in the good works God has planned for their lives. Below are a few news items and updates we would like to share with you this week.

Students in 8th grade Bible class each presented on a different person from the Bible, highlighting examples of faith and sharing practical ways those lessons can be applied to our lives today.

ENGLISH ACTIVITY

8TH GRADE

Eighth-grade students recently built real-world communication skills by learning email etiquette, including the use of appropriate language, grammar, and tone. Working with a partner, students evaluated sample email sentences to determine whether they were ready to send or needed revision. This activity helped students understand the importance of clear, respectful digital communication in school, for future careers, and for everyday interactions.

6th

6th grade science students exploring the different characteristics of igneous, sedimentary, and metamorphic rocks through hands-on observation and discussion.

2nd Grade Says "Thank You"

Mrs. Rager's 2nd grade class said goodbye to Miss Moriah (TCS '25) this week. Miss Moriah has been a faithful volunteer every week in their classroom. Mrs. Rager and her students have so appreciated Miss Moriah's joyful spirit, fun personality, and servant's heart. We wish her the best as she pursues God's calling for mission's training in the months ahead!

Christmas Memories

Mrs. Wierwille's K5 students enjoyed a joyful last day before Christmas break.
