Teacher, Student, Parent Handbook

July 13, 2026

All policies and information are subject to correction and change as the administration and board see fit. It is impossible to put everything in a handbook for teachers, students and parents. Our goal is to have a guide book to ensure that our school is working under the policies to conduct good business.

TCS Mission:

*To Glorify God by providing students a Christ-centered education
marked by excellence and grounded in Biblical Truth.*

On September 7, 1976, Temple Christian School opened as a ministry of the Lima Baptist Temple. In 2018, TCS separated from the Lima Baptist Temple to become an Independent Christian School. It is currently a Preschool through 12th grade institution which has strong curricular and extra-curricular offerings. Temple Christian School is dedicated to providing an educational program which upholds a standard of academic excellence with its firm foundation based on God's Word, the Bible. We strive to train our students spiritually, morally, and academically, and we feel that it is of utmost importance that we instill a patriotic spirit in each child.

It is the desire of the board of education, administration and faculty to have a positive relationship built between the school and the home; therefore, the following handbook has been compiled in order to inform you as students and parents of Temple Christian School of the rules, regulations, policies, and procedures that will be important to you. Though at times some will disagree with the policies presented in this handbook, it is important that all realize their responsibilities to support and properly respond to those whom God has placed in leadership roles in this school. It is the prayer of the Temple Christian School leadership that we can work together to provide a well-rounded, Christian-centered education for our students.

PHILOSOPHY

The philosophy of Christian education at Temple Christian School (TCS) is based on a God-centered view that all truth is God's truth, and that the Bible is the inspired and the only infallible, authoritative Word of God that contains this truth. TCS's mission, educational goals, statement of faith, scriptural, and overall operating principles are tied together with Jesus Christ at the head and are carried out in the following ways:

- TCS leaders try to seek out God's ways of thinking and acting with the promise that He will show us what to do. They will try to seek guidance, direction, and purpose from the Holy Spirit who lives in the hearts of believers.
- Education at TCS is Christ-centered with biblically integrated units, incorporating the Word of God into the content areas. (Prov. 1:7 says, "The fear of the LORD is the beginning of knowledge.") Our curriculum is grounded in biblical truths that integrate knowledge, faith, and experience.
- Our teachers ensure that the teaching environment is nurturing, challenging, and meaningful, and that it conforms to the educational philosophy of the school.
- All TCS personnel are accountable to God for their performance, Christian modeling, and walk with the LORD (Rom. 14:12). This is demonstrated in how their gifts are used for the LORD'S service. They are inspiring examples for the students they lead, who are committed to the children and families they serve.
- Parents are responsible for their child's education. The parent enlists the support of the school and entrusts the teacher for educational purposes as an extension of the home.
- Jesus Christ is the model, as students learn and study their Bible in the classroom. Teachers will teach from a Christian perspective and impart a Christian world and life view in all subject areas. All truth comes from the LORD.
- TCS constantly evaluates its instruction and classroom activities to ensure that they are pleasing to God, Christ-centered, and following the guidelines that Jesus has given us in His Word. Each student is challenged to achieve his/her full potential.
- The influence of a godly home, school, and church are vital essentials in a child's life and go hand in hand in their development.
- Teachers teach by instruction and example that a saving, personal relationship with Jesus Christ and the transforming power of the Holy Spirit will enable one to lead a life with purpose and that is pleasing to God.
- Summary: Temple Christian School strives to be the best school for your child in accordance with God's Word. Your prayers and involvement in your child's education are crucial, as you partner with us at TCS.

PURPOSE

It is the purpose of Temple Christian School to provide a sound academic education integrated with a Christian view of God and the world. The Bible is specific in stating the principles which underlie Christian education. St. Paul presented a comprehensive principle when he wrote of Christ: "For by Him were all things created, that are in Heaven, and that are in earth...And He is before all things, and by Him all things consist." (Colossians 1:16-17). And the writer of the fourth Gospel said, "All things were made by Him; and without Him was not anything made that was made." (John 1:3)

There is an important difference between the Christian and the non-Christian viewpoints on any given subject. Even though knowledge is factually the same for both, no subject can be taught in the totality of its truth if the Creator is ignored or denied. Knowledge is purified by the recognition of God's place in it. No other approach to education can be entirely God-honoring; for parents and children, as is such an approach through the Scriptures.

Parents of children in Temple Christian School consider the Word of God clear in making Christian parents responsible for the education of their children; education not limited to the counsels of God revealed in His word, but also in the counsels of God revealed in His world. These parents want their children to be educated at home and at school with the consciousness that all truth is God's truth, including history and geography, science, music and the arts, and that Jesus Christ is to be central in all learning and living.

We believe that a Christ-centered school is essential in our world today. We realize the strength of our enemy, and need to equip our children with the tools to combat the enemy. We want our children to have an education which will prepare them mentally, physically, and spiritually according to the Scriptures.

STATEMENT OF FAITH

The basis of Temple Christian School shall be the Word of God as interpreted by the following Statement of Faith:

1. We believe in the creation of man by the direct Act of God.
2. We believe that man is sinful by nature and that regeneration by the Holy Spirit is essential for his salvation.
3. We believe the Bible to be inspired and the only infallible authoritative Word of God.
4. We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
5. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

STATEMENT ON MARRIAGE, GENDER, AND SEXUALITY

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

We believe that in order to preserve the function and integrity of Temple Christian School as the local Body of Christ, and to provide a biblical role model to the Temple Christian School members and the community, it is imperative that all persons employed by Temple Christian School in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thess 5:22.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Temple Christian School.

BIBLICAL MORALITY STATEMENT:

Temple Christian School is a faith-based institution providing a Kingdom Education in a distinct Christian environment, believing its biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasions in which the atmosphere or conduct within a particular home or the activities of the student are counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a current student. This includes, but is not limited to, practicing, condoning, or supporting sexual immorality, including but not limited to, sex outside of marriage, homosexual acts, bi-sexual acts, gender identity different than the birth sex at the chromosomal level; promoting such practices; or the inability to support the moral principles of the school. (Gen. 1:27-28,• 2:15-24,• Lev. 18:22; 20:13; Matt. 19:•4-6; Rom 1:26-27; 1 Cor. 7:14)

OBJECTIVES

We believe that the objectives of Temple Christian School are these:

1. To teach that God is the Creator of the universe and man.
2. To teach that the Lord Jesus Christ is the Son of God who came to earth to die for our sin.
3. To teach the necessity of being born again by the Spirit of God by receiving the Lord Jesus Christ.

7. To teach students to manifest fairness, courtesy, kindness, and other Christian graces.
8. To stress the urgency of world missions.
9. To teach students to get along with non-Christians and with Christians who hold different views.
10. To relate the various subject matter areas with the truth of the Bible.
11. To teach students to apply themselves to their work to fulfill their various responsibilities.
12. To teach students to work independently and cooperatively.
13. To teach students to think for themselves and to stand up for their personal convictions in the face of pressure.
14. To develop the creative skills of the students.
15. To develop an appreciation for the fine arts.
16. To develop effective communication skills in the students.
17. To teach the knowledge and skills required for future study or for occupational competence.
18. To develop desire and discretion in wholesome physical and mental recreation.
19. To teach our American heritage and the current problems facing our country and world.
20. To show students their present civic responsibility and to prepare them for adult responsibility as citizens of our nation.
21. To develop the total student in relation to his place in the world, stressing the basic belief that through God, ALL things are possible.

This includes, but is not limited to, being convicted of a felony, living together without being married, condoning or supporting sexual immorality, practicing a homosexual lifestyle or alternative gender identity or espousing beliefs that promote such practices, or otherwise having the inability to support the moral principles of the school.

Academic Information

HOMEWORK PHILOSOPHY

We believe that homework is an integral part of the school program, and each teacher is at liberty to give homework to aid students in advancing their studies. It is requested that parents cooperate with the school in seeing that the assignments are completed. We want parents to be aware of their student's progress, and we urge them to cooperate with the teacher in any way possible, especially in the matter of homework. Homework is given for the following purposes: drill, progress, remedial activities, advanced work, and special projects. Teachers might need to assign work on Wednesday for purposes of test preparation, drill and projects. We are attempting to allow students that want to attend church on Wednesday to do so.

PRINTERS

One printer will be set up for students to print assignments required by teachers. Printing must be approved by teachers. Students or parents making personal copies will be billed at \$.10 a copy.

SCHOOL TEXTBOOKS

The majority of our textbook materials are purchased from Christian textbook publishers which we feel helps to present a true picture of the subject matter. Some textbook materials are purchased from the standard companies that provide books to public schools. We are not bound, however, to one particular required list of adopted texts, but we are free to choose from among the many textbooks which present the material most interestingly and effectively.

The key to presentation and use of materials in Christian schools are Christian teachers. The teachers' deep involvement in the study of God's Word equips them with the discernment necessary to teach all subject matter in harmony with the principles clearly presented in the Bible.

REPORT CARDS

Report cards are issued every nine weeks during the school year. In addition, there will be a day set aside for parents to make appointments to privately meet with the teachers for Parent-Teacher Conferences.

Midterm reports will be sent to you midway through each grading period. Report cards for the students whose parents have delinquent tuition accounts with the school will be held in the office until the accounts have been paid.

COMMUNITY SERVICE

Students in high school are encouraged to earn 30 hours of community service each year.

Students in middle school are encouraged to earn 20 hours of community service each year. Elementary students are encouraged to take advantage of community service opportunities when available and appropriate. Students who meet this criteria are awarded at the end of the year awards assemblies.

WEIGHTED SCALE

Temple Christian has instituted a weighted scale for those classes which are considered upper level courses. The intent is to recognize the increased difficulty of these courses in relationship to the alternative basic courses that are offered. No required course is weighted. Examples of weighted courses are Physics, Pre- Calculus, College Credit Plus Courses, and nm Honors Courses.

In order to figure the weighted G.P.A., a formula will be applied to the grades of students in weighted courses to slightly increase their final G.P.A. for the course.

The TCS grading scale is located on the following page. Most courses figure into students' G.P.A.'s. However, non-academic courses such as Choir, Band, Art, P.E., and Yearbook do not.

Students may be dismissed from Temple Christian School at any time that they or their parents are found to be out of harmony with the philosophy, policies, and rules of the school. Dismissal will occur only by the action of the administrator and after a conference has been held between the administrator and parents. The school reserves the right to determine circumstances which might warrant dismissal.

STUDENT ATTENDANCE POLICY

All students are to attend school regularly. We believe that regular attendance in classes is essential in students' academic success. In addition, the state of Ohio considers a student Chronically Absent when they miss 18 school days. Consequently, the following attendance policy has been established:

Parental Communications regarding Absenteeism: TCS will send letters home to remind parents the importance of students being at school to receive instruction. Please remember that Chronic Absenteeism is defined as missing 10% of the year (108 hours) for any reason. This would be the equivalent of 18 days. In other words, all absences, with or without legitimate excuse, including a doctor's note, are counted toward being Chronically Absent. The goal is to be in school.

Letter at 54 hours of absences in year for any reason (equivalent to 9 days)

(50% toward Chronic Absenteeism)

Letter at 84 hours of absences in year for any reason (equivalent of 14 days)

(75% toward Chronic Absenteeism)

Letter at 108 hours of absences in year for any reason (equivalent of 18 days)

(Chronically Absent)

*Requires a meeting with family. (Principal) May implement a student success plan.

Rewards for Good Attendance: We want to reward students for having good attendance that is essential for their academic success. Students who have 4 or fewer absences & 4 or fewer tardies in a semester will be rewarded for their exemplary attendance.

Tuition may be invoiced to the Jon Peterson Scholarship only for periods during which the student is enrolled and in attendance at Temple Christian School, in accordance with Ohio Department of Education and Workforce requirements.

Class Attendance

- 1) MS/HS students who miss more than 28 days of a course may not receive full credit for the course. Students must sign and uphold an attendance contract when reaching 28 absences or course credit may not be given. Extenuating circumstances will be considered.
- 2) Students who miss class or come to school late the day of a test/quiz, and as a result they miss taking the test/quiz:
 - A) Those students who are in the junior and senior high must make up the test/quiz with the teacher within a maximum of 24 hours if late to school. It is the responsibility of the student to make arrangements with the teacher; it is not the teacher's responsibility to track down students to make up their work. Students may be required to take the quiz or test when they arrive at school.

- B) Those students who are in the elementary school must make up the test/quiz with the teacher within 48 hours if late to school.
- C) Please review the final exam policy for further information on how attendance can affect final exam exemptions.

3) If you are at the school the day an assignment is due, the assignment is still due even if you missed the class that had the assignment.

Parents: Please be mindful that pick-up and drop-off are not ideal times to speak with teachers. Our staff have responsibilities supervising students and preparing for their days. Please schedule an appointment to meet with your child's teacher. Brief messages may be left in the office to deliver to teachers if necessary.

EXCUSED ABSENCE POLICY

A student absent for the following reasons will have their absence excused:

- 1) Illness (student must have note from parent; after 5 consecutive days student must have physician note) Please review chart for days missed from illness to make up work.
- 2) Death in the immediate family
(Student will work with cooperating teachers on time to make up work)
- 3) Medical or dental appointment
(student has 48 hours in junior and senior high to make up work missed)
- 4) Emergency (By administrative discretion)
- 5) Prior administrative permission (Example: College visitation, vacation)
- 6) Absences due to COVID-19 will be excused.

Students who are absent from school for one of the above excused reasons will be given two days in which to complete any work that was missed due to the absence. Teachers and/or the principal may extend the time permitted for make-up work at their discretion if special circumstances arise.

Remember: It is the student's responsibility to contact the teacher at the teacher's convenience to receive make-up assignments to be completed. Work which is not completed in the prescribed amount of time will receive a zero for each assignment missing.

EXCUSED ABSENCE AND MAKE UP WORK SCHEDULE CHART:

<u>Days Absent</u>	<u>Homework Made Up & Turned in</u>
1 Day	2 Days
2 Successive Days	2 Days
3 Successive Days	3 Days
4 Successive Days	4 Days
5 Successive Days	5 Days

*If a student needs additional time they may request this with the teacher.

- Total Days excused: Students are permitted to miss up to 16 days per year for excused absence; after 16 days, the parent is responsible for sending in a doctor's excuse. This applies to elementary as well as high school. Further absences without a Doctor's note may be considered unexcused.
- For students going on vacation or other trips, arrangements can be made with the school principal. If a student is absent for five or more consecutive days, the student, principal, and teacher will collaborate to determine how make-up work will be handled.
- We ask all parents to give a courtesy call in the morning by 9:00am to let us know their child will be out that day. This helps with organization and knowing who is not in the building. You can leave messages on the phone system at any time of day or night.
- TCS administration will take COVID-19 absences into consideration.

UNEXCUSED ABSENCE POLICY

Unexcused absences include, yet are not limited to the following:

1. Oversleeping
2. Shopping, personal day (Haircuts, beauty appointments, etc.)
3. Suspension from school
4. Truancy
5. Excessive family vacation days (at administrator's discretion)
6. Not wanting to come to school
7. Skipping days without parent or school notice
8. Work (When doesn't fall under excused policy) Needed at home; personal reasons

*Students whose absences are unexcused may receive a "zero" in all classes that day whether there were quizzes, tests, or just homework that was graded.

ABSENCE VERIFICATION

Students who are absent for any portion of the school day must submit a note to the school office by the morning of the third day after their return. Otherwise, the absence will be marked as unexcused. The note must be signed and dated by at least one parent, and must supply the reason for the absence as well as the date or dates of the absence in order for the principals to determine if the absence is excused: notes such as "Absent for Personal Reasons" will not be accepted, and the absence will be considered unexcused. Notes brought in later in the year will not be accepted.

EDCHOICE POLICY A student's scholarship will not be renewed if the student has more than 20 unexcused absences for the year. A doctor's note is necessary after 3 consecutive sick days.

TARDY TO SCHOOL

Students will be considered tardy to school if they are not in their homeroom when the 8:00 bell rings. If students are tardy to school, they must sign in on the list in the school office, and provide the secretary with the reason/note for being tardy and get a pass to go to class. Parents should stop into the office, email the office, or call the office with the reason for the student being late. If there is no communication from home, the tardy will be considered unexcused.

If you are at the school the day an assignment is due, the assignment is still due even if you missed the class that had the assignment.

TCS permits several tardies each semester to allow for the occasional morning catastrophe. Parents and students alike should know the traffic patterns, and establish departure times that allow for the occasional five-to-ten minute delays that occur due to weather, trains, or traffic.

Students who arrive between 8:00-9:00 a.m. will be considered tardy. Students who arrive after 9:00 A.M. will be considered partially absent.

Tardies to School: (MS/HS) (Exception is Dr.'s note submitted that day) Reset 2nd Semester

- 5 Tardies Excused or Unexcused - Lunch detention
- 10 Tardies Excused or Unexcused - Detention/Letter to Parents
- 15 Tardies Excused or Unexcused - Detention/Letter to Parents
- 20 Tardies Excused or Unexcused - Saturday School/Letter to Parents
- 25 Tardies Excused or Unexcused - Saturday School/Meeting with Parents

Tardies to School: (Elem) (Exception is Dr.'s note submitted that day) Reset 2nd Semester

5 Tardies Excused or Unexcused - Phone call to Parents

10 Tardies Excused or Unexcused - Letter to Parents/Loss of Recess

15 Tardies Excused or Unexcused - Letter to Parents/Loss of Recess

20 Tardies Excused or Unexcused - Letter to Parents/Loss of Recess/Lunch Detention

25 Tardies Excused or Unexcused - Meeting with Parents/Loss of Recess/Lunch Detention

If you are at the school the day an assignment is due, the assignment is still due even if you missed the class that had the assignment.

The office will determine if the tardy is excused or unexcused. Work missed due to an unexcused tardy may not be accepted for credit. Unexcused tardiness includes over sleeping, not leaving home on time, extra stops to school, etc. Our goal is for parents and students to leave early enough to make it to school on time. Our doors are open at 7:30am for students.

TARDY TO CLASS / IN SCHOOL TARDY

Students have three minutes between classes. A student who is not in his assigned room when the bell rings, will be considered tardy. The student may be sent to the office to record the tardy with the secretary, or the teacher may record the tardy with the secretary after class in order to conserve class time. The principal will determine if the tardy is excused or unexcused. Work missed due to an unexcused tardy may not be made up for credit. Excessive school day tardiness (4) will result in detention after school. Principals can assign lunch detention or after school detention for any tardy for a student who misses a class for more than 2 minutes.

Tardies to Class: (MS/HS) Reset at Semester

4 Tardies - Detention

8 Tardies - Detention

12 Tardies - Saturday School

Every third detention is a Saturday School

PARTICIPATION IN SCHOOL ACTIVITIES

MS/HS Students who arrive at school after 11:30am, will not be permitted to participate in extra-curricular or co-curricular activities that day unless permission is granted by the principal. These activities may include, but are not limited to the following: Athletic events or practices, concerts, field trips, etc. Students who leave school for the day due to sickness may not participate in after school activities. Administration may take special circumstances into consideration. *(This does not apply to Elementary)*

SIGNING IN AND OUT

Any student arriving at school after 8:00am must sign in at the school office before attending class. Students leaving school before 3:00pm for any reason must sign out at the school office, and sign in upon returning to school. Junior and senior high students who fail to sign in or out as required may be assigned lunch detention. Students who fail to sign out when leaving school may receive an unexcused absence for all classes missed and/or detention.

STUDENTS LEAVING THE BUILDING DURING SCHOOL HOURS

MS/HS Students are not permitted to leave the building without permission from the office. This includes but is not limited to going to vehicles for items left or needed. Permission can be granted for specific needs but the office is not required to grant permission if the privilege or need is abused. Students may receive lunch detention or detention for leaving without permission.

EXTENDED ABSENCE

In case of extended excusable absence, parents may contact the school office by 11:30 a.m. and the secretary will collect the student's assignments. These assignments may be picked up by the parent or another student between 3:00 - 3:30pm. Many assignments can be obtained through online platforms (i.e. FACTS or Google Classroom).

FAMILY VACATIONS

Those families wishing to take a family vacation during the school year should contact the school office one week before the vacation. However, vacations during school should be avoided if at all possible. Students are responsible to collect all assignments. Tests and quizzes must be completed within a reasonable amount of time after returning to school. This time will be determined by the teacher and the principal. (Students may make other arrangements with their teacher as deemed necessary by the teacher) The bottom line is that we ask families to plan ahead, notify the school in advance, and take full responsibility for missed work. Teachers are not expected to re-teach lessons or tutor students returning from vacations.

SCHOOL/PARENT COMMUNICATION FORMS (MS/HS) *(Detention notices, mid-term reports, etc.)*

1. In order for the school to have proper organization and planning, students are expected to return permission slips at the time that is stated on the school permission slip. Students who do not return it at the prescribed time will not be permitted to attend the event.
2. If a student/parent does not return detention, grade cards, or any behavior communication between the office and parents, it will result in a lunch detention for the student. A continued lack of response may result in an after school detention. Students may not participate in sports or travel with their teams if they have detention until their detention is successfully completed. The parent may pick the student up after detention and take them to their game.

HEALTH AND SAFETY POLICY

The Allen County Health Department requires each school to maintain up-to-date health records in order to protect not only the individual student, but also the community at large. We try to always have our student records up-to-date. The Temple Christian School Board of Education's policy concerning completed health records is as follows:

- 1) All students' immunizations must be current or a waiver signed, and records must be provided to the school by the 15th day of school per Ohio Law.
- 2) New students' physicals must be completed by the 30th day of school, or the 30th day after a student is admitted as a student to the Temple Christian School system.
- 3) If the records are not complete, the student cannot continue to attend classes until the records are brought up-to-date and considered complete.
- 4) Students will also be given an Emergency Medical Form which must be completed and returned to the school office within the first two weeks of school (preferably the first week of school). The information on this form is vital for school officials to have in the case of an emergency at school in which the child requires medical attention.
- 5) Notices will be sent to each family who is not in compliance with this regulation, informing them of the items which are needed to complete the student's health file.

COMMUNICABLE DISEASES

When students have the following diseases, they must have a written consent to return to school from either a physician or the health department: measles, mumps, whooping cough, scarlet fever, “strep” throat, “pink” eye. A physician, health department official or school nurse may re-admit a student to school after having the following diseases: chickenpox, foot and mouth disease, common cold, influenza, pneumonia, pinworms, skin diseases (scabies, ringworm, and impetigo).

ADMINISTERING MEDICINES

No medicine shall be sent to school with the student unless special arrangements have been made with the office. Medicines are to be administered by the school nurse. If the school nurse is not available, medication may be administered only by staff trained in Medication Administration.

SCHOOL NURSE

A nurse will be present to complete student health records and to administer health screenings (sight, hearing, and scoliosis) and medicines.

ACCIDENTS

If your student is involved in an accident, we will try to contact you at the phone number you have provided on the Emergency Medical Form. In the event that you cannot be reached, we will see that proper medical care is secured.

FIRE DRILLS

Several times throughout the year, fire drills will be held. Teachers and students must take them very seriously. An appropriate bell will signal a fire drill, which requires rapid, quiet, orderly, mass evacuation of the building. Anyone who fails to carry out the teacher’s orders at such times will be disciplined. Use exit routes as posted in each classroom. Students may re-enter the building upon direction from administrators and teachers. Students should remain approximately 100 feet from the building and should remain quiet during these drills.

SAFETY DRILLS

TCS will hold a minimum of three safety (lock-down) drills throughout the year to prepare for any situation where we would need to protect students from some type of dangerous situation that may present itself.

TORNADO DRILLS

For tornado protection, students will move to designated interior rooms and hallways, where they will kneel placing their head as low as possible with their hands and arms over their heads.

AFTER SCHOOL ACTIVITIES

The only students who are permitted in the high school complex after 3:30pm are those students who are with an organized team. All other students must leave the school by 3:30pm unless they have secured permission by a teacher or the building principal.

STUDENT DRIVING PRIVILEGES

Students who have an operator's license may drive to and from school with the permission of the principal and a TCS driver's vehicle registration form on file. Students are not permitted in the car during the school day unless they have permission from a staff member. Students are not to sit in their cars with other students or friends during school functions unless one of their parents is with them. Students should park their vehicle on the east side of the high school building and should exit the parking lot by Burden Road in accordance with traffic flow guidelines. While entering or leaving the school property a student is not to drive fast and should never "peel out" or drive recklessly. Students may have their driving privileges revoked or face other discipline for driving violations.

SCHOOL CLOSINGS AND DELAYS

School closings, delays and emergency weather information will be announced on the following local radio/television stations: WLIO TV and Hometown Stations Website

The "FACTS ALERT" system will also be used. You can expect a text in the morning as soon as we know delays or cancellations. We generally coordinate with Elida Local Schools since TCS is located in the Elida Local School District. Therefore, we will get the information to you as soon as possible.

Temple also posts on "X" and Facebook for weather emergencies.

NON-DISCRIMINATORY POLICY

The Temple Christian School recruits and admits students of any race, color, ethnic origin, or national origin to all its rights, privileges, programs, and activities. In addition, the school will not discriminate on the basis of race, color, ethnic origin or national origin in the administration of its educational programs and athletics/extracurricular activities. Furthermore, the school is not intended to be an alternate to court or administrative agency ordered, or public school district initiated desegregation. The Temple Christian School will not discriminate on the basis of race, color, or ethnic origin in the hiring of its certified or non-certified personnel.

ACADEMIC INTEGRITY - CHEATING/PLAGIARISM/USE OF ARTIFICIAL INTELLIGENCE

What constitutes a Breach of Academic Integrity?

- To use, copy, or turn in another person's work, in whole, or in part, as if it were your own

Teachers may allow use of AI to do research, gather information, and other legitimate uses of the technology. However, students should check with a teacher before using AI if they have any question about whether or not their potential use is acceptable. One obvious violation is using AI to write a paper and then claim it as your own.

Students below a 2.0gpa are not permitted to use headphones, unless it is specifically required by a teacher to complete a school project. The administrator or teacher reserves the right to prohibit any student from using headphones due to disciplinary or academic issues. Students are not permitted to wear headphones during school hours unless explicitly authorized by a teacher for use within a classroom. Headphones should not be worn in hallways, common areas, or outside of designated instructional settings.

ELEMENTARY DISCIPLINARY ACTIONS

TCS elementary school supports disciplinary procedures established by classroom teachers. At times a student may reach the level on the classroom management plan that requires a visit to the office. For some students, this may be a conversation with an administrator to correct the behavior or address the classroom discipline issue. For some offenses, additional administrative discipline is required.

In lieu of after school detentions, elementary students will receive “time off” of recess or loss of other privileges for minor offenses/ misbehavior. Such consequences are based on teacher/principal discretion, and will be based on the offense and the number of occurrences of the offense. Please see “Minor, Major and Severe Offenses” for other violations. If a student’s behavior does not change, the administration can and will use other methods such as lunch detention, missing fun activities, etc... until the student learns to follow instructions. In cases of major violations or multiple violations, administration may take additional disciplinary steps including loss of privileges, sending students home for the day, suspensions, or expulsions.

SEARCH AND SEIZURE AT TCS

Although a student and Temple Christian School may have joint control of lockers, desks, or other school property, the student never has exclusive control of his/her property. - 4) Student lockers, desks, and similar property (computers) are subject to search by the school administrator, along with one other professional employee at any time and without notice.
- 5) At the discretion of the administrator, or his designee, with or without the student being present, a search of a student's property including his/her locker may be undertaken.
- 6) Students should be keeping valuables locked in lockers and no other place.

LOCKING UP PERSONAL ITEMS

All valuables, electronic devices, clothing, etc... should be locked in a locker. No items are to be kept in restrooms or other places. All students must keep valuable items locked up. Students who do not follow this policy risk the liability of missing items.
