

# **TCS MS/HS School Supply List 2026 - 2027**

## **Student Bag Policy (Grades 6–12)**

Traditional backpacks, briefcases, purses, drawstring bags, messenger bags, satchels, and other personal carrying bags are not permitted in classrooms and must remain in student lockers during the school day.

Students may carry a zipper binder or notebook binder between classes. To be considered a permitted classroom organizer, the item must function as a binder with a 3-ring or similar binding mechanism designed to hold school materials.

Any storage pockets or sleeves must be contained within the zippered binder itself and may not function as a separate carrying bag. Students will have access to their lockers between each class period and may carry materials for one or two classes at a time.
