Romans 8:28

And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

Dear Students and Families,

I want to begin by thanking you for your support during this unprecedented time. It is our goal to continue to provide our students with quality curriculum for off-site learning during the duration of our mandated closure. Our teachers are committed to providing lessons for students each Monday to be completed throughout the week.

Teachers will be available via email to answer questions you and your child might have regarding their schoolwork. Schoolwork should be kept in a designated folder to be returned upon our arrival back to class. Students in attendance today were provided with needed materials such as school supplies, textbooks, and workbook pages, ect. The office will also be open on Monday, March 16th from 9am-3pm, in the event that you need to pick up additional materials.

We appreciate your support, as we know these are uncharted waters for many. It is our highest priority to keep everyone healthy and safe, while providing quality Christian education for the students of Temple Christian School.

In His Love,

Erin Marshall
