## Pretty Funny

Close the window, draw the curtain

Isn't it funny?

Hide the bright light of the moon

Isn't it funny?

Hang the dresses, ugly dresses

Aren't you funny?

No one likes maroon

Pathetically naïve and desperate to believe

You can always find some good

Wipe off all that stupid lipstick

Well, you misunderstood

Return the earrings to their case

Or you've been dreaming

Make-up won't make any difference

'Cause people are just cruel

It's still the same old face

Shut the light off, turn the bed down

Isn't it funny?

No more crying, don't you dare

Isn't it funny?

You'll wake up sometime tomorrow

Isn't it funny you believed that it was real?

And forget to even care

Pretty funny

Isn't it funny?

All disasters have an upside

Isn't it funny?

You can find one if you try

For a moment he convinced me I could be pretty...

You went dancing, you were dancing

Funny

You were dancing with a guy!

# Days Gone By

## **VERSE 1**

I walked the world afar  
Built up a thousand walls  
To try and hide away  
I searched to find my soul  
A journey far from home  
Lost in a life I'd made  
And I'd been 'round in circles  
Living for the moment  
I know I ran so far  
Was acting kind of crazy  
Coming up with empty  
Felt like I lost my heart

## **PRE-CHORUS**

Now I've found a love that  
Is clearer than the deep blue skies  
It's true You were right there  
I can see it in the days gone by

## **CHORUS**

I see You in the days gone by  
Your promise never left my side  
I know sometimes I tried to give up  
Still You caught me when I fell from high  
I see You in the days gone by

## **VERSE 2**

You took my fragile fate  
And didn't hesitate  
Your love in every scar  
Passion with no restraints  
Held back the darkest days  
So now my life is Yours  
You've got me when I'm broken  
You're with me when I'm hopeless  
I know You're never far  
Your mercy has no ending  
It perseveres, unfailing  
You'll always have my heart *(pre-chorus)*

## **BRIDGE**

See You in the days gone by  
See You in the days gone by  
And I need You everyday 'cause *(chorus)*

# O Come to the Altar

## **VERSE 1**

Are you hurting and broken within?  
Overwhelmed by the weight of your sin?  
Jesus is calling  
Have you come to the end of yourself?  
Do you thirst for a drink from the well?  
Jesus is calling

## **CHORUS**

O come to the altar  
The Father's arms are open wide  
Forgiveness was bought with  
The precious blood of Jesus Christ

## **VERSE 2**

Leave behind your regrets and mistakes  
Come today, there's no reason to wait  
Jesus is calling  
Bring your sorrows and trade them for joy  
From the ashes a new life is born  
Jesus is calling *(chorus)*

## **BRIDGE**

Oh, what a Saviour  
Isn't He wonderful?  
Sing alleluia, Christ is risen  
Bow down before him  
For He is Lord of all  
Sing alleluia, Christ is risen *(chorus)*

## **VERSE 3**

Bear your cross as you wait for the crown  
Tell the world of the treasure you've found
