About Us

Temple Christian School is a Christian, non-public school in Lima, Ohio. Our mission is to provide students a Christ-centered education, marked by excellence and grounded in Biblical truth. The Temple student body includes students from over 30 local churches and many area school districts. In addition, Temple has an international exchange student program, which hosts international students from various countries around the world.

Temple is one of the leading schools in providing students access to technology. All middle school and high school students receive a computer as part of our one to one program, and all elementary students have access to computers in their respective classrooms.

Temple students have opportunities to be involved in activities such as: fine arts, athletics, community service, student government, homecoming, and many others.
